CEO'S STATEMENT

At Ciroc Global, we derive lots of pleasures from our own achievements with our services beyond our esteemed clients' imaginations and our prompt delivery.

We make it our utmost duty to remove all hindrance our clients may encounter by taking full responsibility for their maritime problems until we achieve the realization and fulfillment of our clients' satisfaction.

Yusuf Nurudeen Oluwaseun

ABOUT US

Maintaining our leadership strides in marine logistics, Ciroc Global remains outstanding in the delivery of services within the marine, oil and gas industry. We use our expertise to help other firms with procurement of licenses and permits. Our team of experts remains committed to on-time delivery of quality services with excellent client treatment that makes our partners trust our services.

Ciroc Global is well-positioned to help fill the void within the marine, oil and gas industry. We are a diversified marine logistics company with unique businesses in Marine, Oil, Gas, Shipping and Specialties.

In the past five years we have been rapidly delivering a strategy of transformation that was designed to enhance our business model by drastically reducing debt, increasing productivity and finding new ways to diversify our company.

We have built a new Ciroc global based on efficiency, integration and deployment of new technologies.

We are excited about the future of marine logistics. Our advantaged and nimble company is full of seasoned leadership and talented people making responsible choices to adapt and explore the opportunities the ever changing industry brings.

We do this while living out our values of service, integrity and commitment, to improve the ease of marine, oil and gas operations by providing access to our team of highly experienced experts in the marine industry. Our success is driven by our people and their commitment to getting results the right way – by operating responsibly, executing with excellence, applying innovative technologies and capturing new opportunities for profitable growth.

OUR MISSION & VISION

MISSION

Building on the strong foundations of the last few years, Ciroc Global plans a new era in the company's evolution to a leading global marine, oil and gas company. Creating value and setting the pace in oil & gas industry.

VISION

Ciroc Global has a vision to create a healthy business environment where our esteemed clients can always thrive on our competence within the marine, oil and gas industry.

Beyond Imagination Services

SERVICES

Consultancy Services

Our team of experts is always on ground to offer quality professional counsel on business issues related to marine, oil and gas industry. Our experience gives us the edge and you can always trust our opinions for better profitability and progress. In a ever dynamic industry, we utilize our expertise in offering relevant in-demand advisory services

Marine Logistics

At Ciroc Global, our goal is to make all our clients' marine, oil and gas operations a hassle free experience. In line with this, we are always available to help with all forms of licensing and permits such as Naval Clearance (NHQ Approval), DPR Permits & Licenses, NIMASA Licenses/Certificates, NPA Certificate etc. to help meet our clients' operational and organizational targets, giving premium value for their money.

Armed Naval Onboard Escort

At Ciroc, we offer naval gun boat escorts and onboard armed naval escort services to guarantee uninterrupted operations from pirates and other forms of threats on Nigerian coastal waters right from the beginning of voyage to successful completion.

Vessel Brokerage

We assist new and old investors in getting the right vessel/ship for various operations. We also advise our clients on which vessel is best for each operation to minimize loss and maximize profit adhering to all required safety and regulatory standards.

Manning Services

We offer man power supply of skilled and unskilled labour within the maritime, oil and gas industry. Our human resources department is robust enough to meet the highest standards of man power required for different operations at all levels. Our wealth of experience helps us meet the demands of our clients to global standards.

Supply of Petroleum Products

We supply petroleum products to oil rigs, platforms and at any required location around Nigeria. We are ever committed to meeting all forms energy demands.
